TO : THE DISTRICT COURT OF HARRIS COUNTY, TX
129TH JUDICIAL DISTRICTFROM : BARBARA & LeeROY M. MYERS
12215 CAROLA FOREST DRIVE
HOUSTON, TEXAS 77044RE : ORDER FOR FORECLOSURE BY LITTON LOAN SERVICING
CAUSE NO. 2010-36072

2.1 3.1
We, Barbara and LeeRoy Myers, hereby request an in-depth hearing regarding the above matter. We have resided at the above address since 1983. Our home was paid in full in June, 1993; however, due to an unexpected financial crisis, we took out an equity loan with Home 123 in 2006 for \$50,000.00 at a fixed rate of 7.4650 with monthly payments of \$462.52.

Our loan started with Home 123 in 2006 however, was sold to New Century, Saxxon Mortgage Services and Litton Loan Servicing. We never encountered problems with Home 123, New Century or Saxxon and, the records will show that our monthly payment of \$462.52 was paid in accordance with the loan agreement; however, when Litton Loan Servicing acquired the loan in 2008, problems immediately began due to a lack of communications between Saxxon and Litton (we were still sending our monthly payments to Saxxon when Litton started calling and writing stating that our loan payments had not been received). Saxxon finally sent the payments to Litton as well as advised them that the payments had been made to them and, we thought everything was sailing along smoothly until Litton started paying our home taxes, purchased flood and home insurance and, created an escrow account. We called Litton regarding the payment of taxes and the escrow account as well as wrote Litton letters (please refer to EXHIBIT "A" & "B"). Litton agreed over the phone to honor our request and, for awhile, things with Litton was looking up until the escrow account situation reappeared along with harrassing calls several time throughout the day; nevertheless, we continued to pay Litton the \$462.52 but, this was not acceptable by Litton.

The situation with Litton became so stressful with the phone calls several times a day at work until, we referred the matter to the Dispute Resolution Center of Harris County (see EXHIBIT "C"). Litton had their representative, Mr. Noel Connely to call and arrange with us and the Dispute Resolution Center a meeting however, Mr. Connely cancelled the meeting therafter rescheduling only to cancel again.

PAGE II - ORDER FOR FORECLOSURE BY LITTON LOAN SERVICING
CAUSE NO. 2010-36072

=====

As the harrassing calls became more intensed from Litton, we contacted the U.S. Department of Housing and Urban Development for advice. HUD's representative reviewed the information given to her and referred the matter with Litton to the Texas Workforce Commission Civil Rights Division (see EXHIBITS "D").

Mr. David Pernell, Investigator III, of the Texas Workforce Commission Civil Rights Division is currently investigating our complaint against Litton Loan Servicing (see EXHIBITS "E" & "F").

Even though Litton has filed an Order for Foreclosure, the phone calls from Litton continue to come daily and, just today, July 1 2010, an automated call from Litton came proceeded by one of Litton's representative whom, I, LeeRoy spoke with. The representative asked me if I was Mr. Myers and I stated yes, she then proceeded to ask me when I was going to pay my mortgage and, I informed her that Litton is in the process of filing foreclosure on our home and, the representative did not say anything but hung up.

Up until September, 2009, we sent Litton Loan Servicing the agreed loan payment of \$462.52 however, the September check was returned by Litton Loan Servicing (see EXHIBIT "G"). We called Litton to find out why the check was returned and, was told by Litton's representative that the escrowed amount of \$839.09 was the acceptable payment. May, 2010, we had a call from Judy with Litton Loan Servicing requesting a past due payment of approximately \$12,900.00. We informed Judy that we did not have tha amount of money to pay Litton and, that we had tried to make our monthly payment but the money was returned by Litton.

In 2006, when we signed the loan agreement with Home 123 at the closing, we made it clear at the closing that we were not interested in an Escow Agreement therefore, we did not sign this particular form. All we wanted and have tried to do was to honor our loan agreement payment plan. We did not willingly neglect our payment.....Litton was the one who returned the check and decided to set up an escrow account.
